MUCHO MAHALOS to all of you who have called and reported back to us. Kelly Rosati recently returned from the capitol. [Your calls are making an impact](#). We want to update several items based on the responses you've reported you received when you made your calls.

1. Good preliminary news – just in. Health Committee Chair Dr. Josh Green has personally delivered the formal request for re-referral to the Speaker's office. We will let you know once a decision has been made by the leadership regarding re-referral.
2. The information sent by us to you this morning was 100% accurate notwithstanding what some may have been told by legislative personnel over the phone.
3. We are receiving word that the Speaker's office has requested that these constituent requests for re-referral be sent in writing. If you're able to do that, the fax number is (808) 586-6101. Or, you can [contact Speaker Say via e-mail](#). Again, please let us know if you've made contact and MAHALO again for taking a stand for life!

Mahalo.
